## City Seeks Expert Aid In Paint Stain Probe

**Mayor Told to Get Cost And Call Special Session For Council Action**

Council members voted Tuesday night to give authority for a special session to be called by Mayor Davis to determine if an expert is to be hired to pinpoint the cause and source of frequent house paint discoloration in the East Granite area and a spreading, wider area of the city.

The mayor, Alderman Samuel Whitmer, who is chairman of the Air Pollution committee, and City Atty. George Filloff Jr. are to get a cost figure and then call the special session.

Tuesday night's session was attended by about 30 men and women anxious to voice their complaints. But they were limited to three spokesmen after the council discussed the issue for nearly 30 minutes.

Whitmer urged the council to seek a temporary injunction against the blast furnace department of Granite City Steel Co. His proposal was to force the company to prove that its plant was not the source of the blight.

**City Has Burden of Proof**

"I know it's illegal action, but we've got to do something," Whitmer said. Filloff advised the council it would be the city's responsibility to prove the source in seeking a temporary injunction.

Other council members were pressing individual incidents and hardship cases of house damage occurring about 10 days earlier and over the past years, when Alderman Paul Rutledge recommended the hiring of an expert to provide the city with information to seek corrective action.

"We don't need a long discussion. We need an expert," Whitmer said. He called on Filloff to meet with experts and then call a special session to give us the cost," Rutledge urged.

Casner Skubish said the survey by the expert should cover the coke oven operations at the plant as well as the blast furnaces. He recalled that several years ago when a similar widespread paint discoloration had occurred the city declined to hire an expert to gather evidence because of the cost. Rutledge was not for the state and federal air pollution studies, but should go ahead with our own committee's action," he said.

**Concerned for Health Reasons**

One spokesman for the house-damage, Richard Allen, an attorney, said damage to homes ranged from \$150 to \$450 each and that East Granite residents were concerned about the health factor with the prevalence of fumes that accompany the discoloration.

A woman said she was trying to sell her home and move out of the area because of repeated damage. "I leave my bathroom window open this much (she indicated about three inches) and in the morning, if the bathtub is damp, there's a brown crust in the tub that hardly comes off," she said.

Whitmer said that he had gone into the field off East 20th street on nights when the air was heavy and damp and saw smog being blown from the Granite. "Every time I confront an official with that information, I'm told to prove that it is the plant that's causing the discoloration," he said.

## Moose Lodge Pet Parade Route Set, Judges Named

The annual "Kiddies Pet Parade" sponsored by Moose Lodge 272 will be held in downtown Granite City Saturday afternoon, starting at 2 o'clock and will end at the Granite City Steel parking lot, 20th street and Cleveland street, where judging of pets will be completed. It was announced today.

The parade will form on the First Granite City National Bank lot, 20th and State street, will proceed south on State to 19th street, west to Cleveland hwy. and north on Cleveland to the Granite City Steel parking lot. Magistrate Andrew Gasparovic Jr. will serve as master of ceremonies. Judges who have been named to pick the winners among the pet entries are George Reeves, a vice-president of the First Granite City National Bank; Norman Garrett, of the public relations department of Granite City Steel Co.; and Mrs. Gabrielle Betine, seventh ward alderman.

Prizes are to be awarded for first, second and third place, as well as for the most unusual, most comic and most realistic pets. Forty consolation prizes also are to be awarded. Refreshments will be served following the judging and the youngsters will be entertained by the Moose lodge.

Last year more than 100 entries were in the parade, ranging from goldfish to horses.

## Grand Jury Hears Charges of Theft In Leader Case

(Pictures on Page 24)

A theft charge against Mrs. Marion Heidbrink, 41, bookkeeper for the Leader Department store, is under consideration today by the Madison county grand jury which heard testimony yesterday in Edwardsville.

She is charged with embezzling \$31,000 during the past two years before she was discharged upon her return from a vacation on Aug. 31.

Testifying were Irwin Strauss, vice-president of the store; Eugene Guttin, secretary-treasurer; and Henry Levy, auditor. The grand jury is expected to render its report next Wednesday.

Guttin said today that Mrs. Heidbrink earlier confessed to the money loss and made no oral and written statements that she had been taking money from the store during the last two years but that she did not specify the amount.

## B. Frank Bennett, Supervisor, Union President, Dies

Benjamin Frank Bennett, 85, of 2644 Edwards street, first supervisor of Granite City township, died unexpectedly at 8:30 a.m. today in an Alton hospital, where he had been a patient since 1961.

Active in formation of the Amalgamated Association of Iron, Steel and Tin Workers, Mr. Bennett was its international president from 1937 to 1941, occupying offices in Pittsburgh, Pa. It later merged with other steel unions.

Born at Harrods Creek, Ky., Mr. Bennett first came to Granite City in 1902. He and his wife, Mrs. Nellie E. Bennett, were married Aug. 22, 1909, in Jeffersonville, Ind., and observed their 60th anniversary with an open house here in 1959. She is now bedfast due to leg fractures, and resides at the Edwards.

## Quad-City Birthrate Drops; Slight Increase in Deaths

Twenty-four fewer births in the Quad-Cities during August were noted this week in the monthly vital statistics compiled by Granite City Clerk A. L. Stevens. The total number of births, which registered 94 new babies last month compared to 118 in July.

Last month's birthrate also was 24 under the 118 babies born a year ago in August 1963. The total number of deaths for the local community for the year reached 698 on Aug. 31. This was 21 under the 719 recorded for the same eight-month period last year.

The deathrate of 37 for August was two over the 35 recorded for July and the same as the 37 occurring in August 1963. The deathrate also is under last year's for the eight-month comparison. This year there have been 271, compared to 312 in the eight months of 1963.

A breakdown of the vital statistics by months, listing the birthrate figure first, follows:

January—101 and 40, February—87 and 24, March—74 and 36, April—73 and 32, May—78 and 28, June—73 and 35, July—118 and 35 and August—94 and 37.

This aerial view looking southeast shows the railroad overpass at Mitchell with the Tri-City Speedway in the background. Old By pass 66-40 is the low-lying horizontal road in the foreground, and above the upper left leaf of the outcized, elongated cleared is a portion of Long Lake.

## Funds for Juvenile Home if Rate Wins

**Diversions Hinges on County Tax Election; Seek Rail Tax Revision**

Proposed construction of a county juvenile detention home was given a boost Tuesday when the Madison County Board of Supervisors voted to divert 60% of county sales tax revenue to the juvenile home fund if a tax rate adjustment is approved by voters Nov. 3.

The fund now contains \$118,000 and would net \$90,000 to \$100,000 a year on a 60% basis. Cost of the building has been estimated at \$350,000.

Since being started Oct. 1, 1959, the half-cent-a-dollar tax on unincorporated area sales has produced \$716,541 (including the latest report, April 1964) for the county government.

Initial distribution of 60% for the juvenile home, 20% for the county courthouse and 20% for county jail remodeling was halted when a tax rate ruling reduced other funds available to the store during the last two years but that she did not specify the amount.

**Highway Planning**

In other board action Tuesday, the county board adopted a "memorandum of understanding" calling on the state to fund a highway division and Southwest Illinois Metropolitan Area Planning Commission to act as planning agency for federal highway funds. County Sup. Harry Gluge urged the action and said an Illinois-Missouri coordinating committee will be needed.

The board adopted a resolution protesting railroad property valuations as fixed by the Illinois Revenue Department and asking the Illinois General Assembly to investigate the entire field of railroad taxation.

The resolution was prepared by Assistant State's Attorney Burton Bernard, who said a solution to annual railroad tax protests, fund delays that threaten the retirement-survivors and disability provisions of the law and obtain free information.

At the board's meeting, complete application for original or duplicate Social Security account number change, the name on the present account number, obtain information regarding rights and status under the retirement-survivors and disability provisions of the law and obtain free information.

**ICC Hearing Friday On Port's Rail Spur**

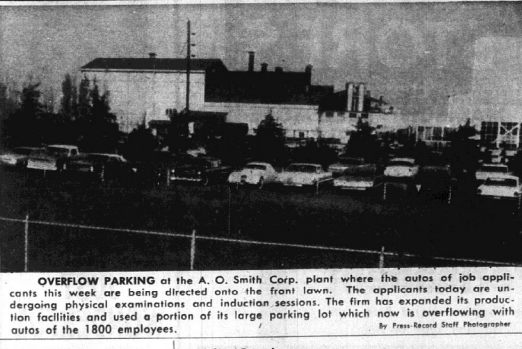

The Illinois Commerce Commission will conduct a hearing at 2 p.m. Friday on an application by the Tri-City Regional Port District and Illinois Terminal Railroad Co. for permission to build a rail spur across County Park and through the vicinity of the Chain of Rocks canal harbor.

The utilities are to serve a bulk liquid terminal under construction for National Marine Service, Inc. The defendants are the road commissioners for Venice township, Frank Klimek, and the county, Harry Kluge.

Dedication of the \$720,000 initial development of the Tri-City Port are scheduled for Sept. 28 with Gov. Otto Kerner as a special guest. Further details on the ceremony are to be announced at a later date.

**\$16 Theft from Home**

Robert Hinson, 2705 Marvillie road, reported a \$16 theft Tuesday night that occurred the previous night. A thief entered the house and took \$16 out of a purse in the living room.

## Social Security Day, Information Booths Tomorrow

"Know Your Social Security Day" will be observed in the Quad-Cities Friday, and residents are being urged to check their Social Security accounts to determine if their earnings are credited properly.

The federal record of each account can be checked upon request, and a coupon for the purpose is on page 25 of this issue. Social Security page which lists locations of sidewalk booths to be manned by Social Security representatives who will explain the retirement law and answer questions about benefits.

Residents should check and complete the coupon, paste it on a post card and take it to the Social Security Administration, Room 300, 445 Madison avenue, East St. Louis. It will be forwarded to national headquarters which will send each person the total earnings credited to his account and a breakdown of the last three years of credit.

If a question arises about the amount of earnings credited to the account, the person concerned can write the accounting office and request an investigation. Ralph B. Binkley, manager of the East St. Louis office, said the sidewalk booths will be located at the Venice post office, 19th street and Edison street, 19th street and State streets, Fifth street and Madison avenue, 19th street and Delmar avenue and the Bellemore Village Shopping Center.

At the booths persons may file applications for benefits, complete requests for a statement of earnings, complete application for original or duplicate Social Security account number change, the name on the present account number, obtain information regarding rights and status under the retirement-survivors and disability provisions of the law and obtain free information.

While there was no immediate way to compute the amount of the \$2,000,000 escrow fund involved in the case for which appeal notices were filed Wednesday, it was apparent that a large portion of the fund is affected since the appealing roads are all major lines. Those who filed appeal notices include Chicago and Northwestern; Chicago, Burlington & Quincy; Pennsylvania, Chicago and Eastern Illinois; Nickel Plate and the New York Central. Appeal notices have not yet been filed by the Illinois Terminal or the Terminal Railroad Association, two of the other larger lines.

Justice Monroe ruled last August that railroads were not assessed at 100% of fair cash value by the state department of revenue as the railroads insisted through a long series of court hearings, but that excess property valuations ranged only from 58% to 85% of fair cash value. The ruling called for a recalculation of the taxes to be paid by each road for the years 1957 through 1963 for distribution of the \$2,000,000 escrow fund, but this cannot be done in the case of any railroad which appeals the decisions until Supreme Court settlement of the case.

## Six Rail Lines To Appeal Rulings In Tax Cases

Six of Madison county's 13 operating railroads filed notices in circuit court Wednesday that they will appeal to the Supreme Court the recent decision of Judge James O. Monroe in the railroad tax objection cases.

The action is expected to take for many months and possibly years a large portion of the \$2,000,000 in tax monies that were paid under protest in the tax objection cases and that have been held in escrow. In view of the action taken by the six rail lines—all major roads—it appeared likely that others also will file appeal notices.

Political aspects of the move were brought up by Whitmer opposing the change. He said the council should be able to manage at the A. O. Smith plant said the move would increase the A. O. Smith Corp. volume of Chevrolet truck frames. At that time, R. R. Brink, plant manager at the A. O. Smith plant said the move would increase the A. O. Smith Corp. volume of Chevrolet truck frames. ## Some Schools To Need Extensive Alterations

Revisions in it are still possible, but the new state school safety code will be enforced, compelling many districts to plan for extensive building alterations, County School Superintendent R. Trimpe told Madison Roaders yesterday.

Previous fire standards related to early detection of fire and to saving school buildings, with emphasis also placed on quick evacuation, Trimpe said. The new code which will become more strict next year, adds early detection of fumes and smoke which can cause a fire or a brain damage — and provision of alternate exits as well as safer exits.

He was introduced by Madison School Sup. Wensel Brown, program chairman. President Lawrence Falkes appointed Rev. Harry Colquhoun to represent the club on the Coordinated Youth Services board.

## A. O. Smith Work Staff Highest in Nine Years

**Auto Frame Production Plant Adds 300 More Workers in Two Weeks**

The A. O. Smith Corp. auto frame plant has hired approximately 300 additional workers during the last 14 days, boosting production to the highest level since 1955.

A company spokesman told the Press-Record today that a total of 1800 employees now is engaged in production of new 1965 model auto frames. Normal peak employment during recent years has averaged around 1500 workers, the official said.

The plant had been operating with the normal work force of about 1500 employees until a sharp pickup in production requirements necessitated a step-up in the work force, he added. All employees are working approximately 300 hours were hired for production jobs.

Previous record employment at A. O. Smith was in 1953 when the peak production period required a total of 2000 workers.

**Operating Two Lines**

The plant now is operating two full shifts on two production lines, assembling conventionalized frames for the Chevrolet division of General Motors. It has a capacity of six assembly lines, or three shifts, around the clock, on two lines.

The expansion is in line with earlier announcements that the Granite City plant of A. O. Smith Corp. was anticipating a substantial production increase this season due to a substantial increase in the demand for Chevrolet autos. General Motors closed the Michigan plant at the end of its 1964 model run.

General Motors announced it was transferring the business from the Flint, Mich., plant to a new plant in Warren, Pa. The volume of Philadelphia that also produces Chevrolet truck frames. At that time, R. R. Brink, plant manager at the A. O. Smith plant said the move would increase the A. O. Smith Corp. volume of Chevrolet truck frames. At that time, R. R. ## Chapters To Explore Merger Feasibility

Sentiment opposing merger of Red Cross chapters was expressed at a monthly board meeting of the Tri-City chapter Tuesday afternoon at the Trust and Savings Bank. No official action was taken pending further information.

A meeting of representatives of the local, Edwardsville and Alton-Wood River chapters is planned for 6:30 p.m. Sept. 15 in Alton to discuss merger advantages and disadvantages. The chapter here will send Chairman Gerald Walters, Mrs. Ruby Overbeck, executive secretary, and Floyd T. Mitchell, Henry D. Karantich, Chester Baker, John Sedlack and Harold R. Fischer.

Walters said the Red Cross also will be represented at a meeting on civil defense fallout shelters later this month.

An August home service report showed 159 contacts, including 36 involving Army depot personnel. A breakdown listed 11 emergency leaves, five leave extensions, four health-welfare reports, one home conditions report, 36 other reports, three assists with government benefits, five financial assistance cases, 55 instances of counseling, 29 information reports and 32 other services.

**County Proposal to Use City Animal Shelter is Rejected**

Voting unanimously, Granite City council rejected the county's request to use the city's new animal shelter building until facilities can be obtained for the Madison county rabies control unit.

The vote was taken during Tuesday night's session, even though the city has not yet officially received the request. "I was expecting a letter of request but it didn't come," Mayor Davis said.

However, the Animal Shelter Board, headed by Mrs. Robert Chapman, had a request letter for the council—requesting the rejection of the proposal.

She pointed out the dangers involved since most dogs picked up by the city dog catcher were family pets, and they should not be placed in pens with dogs picked up in the county and rabid areas where they might possibly have had contact with rabid wild animals or run in packs with wild dogs.

The Animal Shelter board also stressed that the building, located along Route 3 near the R.C. Cold plant, had taken six years to build and was built under a cooperation arrangement with trades unions.

Council members pointed out the city humane officer was doing a good job and that the building frequently was overcrowded with the city's own dogs.

Alderman N. N. requested Street Supt. Warfield to have a contractor remove broken concrete slabs and brick from city property at the animal shelter building.

**Speed Limit and Stop Signs for Braden Ave.**

Ordinances setting a speed limit of 25 mph on Braden avenue and placing stop signs on Braden at West Pontoon road and at Oakland drive were adopted Tuesday night by Granite City council members.

The controls were requested two weeks ago to curb speeding on the residential street.

Further study is to be given to a proposed extension of Delo drive for development of a new subdivision outside the city limits by Arthur McFarland.

Council members called upon City Atty. George Filloff Jr. for assistance, pointing out that Holiday Gardens residents along Delo do not want it to become a major thoroughfare. Filloff was instructed to confer with the developer.

Establishment of a no-parking zone on the north side of the 1000 block of East 23rd street was requested by Alderman Sandy Pence. An ordinance is to be prepared. Pence said residents were complaining that large trucks were being parked in the block.

Permission was granted VFW Post 1300 to erect signs at highway entrances to the city. The 24-inch signs are to bear a safety slogan and VFW emblem. The police chief is to designate the actual locations for Andrew Sauter, chairman of the VFW committee.

Installation of a 20-foot driveway at 1925 Cleveland blvd. for Pieper Funeral Home, requested by Henry Pieper, and for a driveway in the 1100 block of Niedringhaus avenue for the Granite City Industrial Center was approved.

**Driver Leaves Accident**

## County Agencies Set Meet on Anti-Poverty

An exploratory meeting to consider the use of federal anti-poverty bill funds in Madison county will be held at 3:30 p.m. next Wednesday in the supervisors room of the Madison county courthouse at Edwardsville.

Discussed will be Title II of the Economic Opportunity Act, which includes community action programs. State Sen. Paul Simon of Troy will serve as chairman.

Invited are representatives of the Illinois Public Aid Commission, private charity organizations, school representatives and all members of the county board. Simon is to explain how the bill can be used in Madison county. It was pointed out in a meeting in East St. Louis three weeks ago that Madison county and its communities can take full advantage of the anti-poverty law.

Dr. Denton Brooks, executive director of the Committee on Urban Opportunity of Chicago, has said, however, that individual interests of participating agencies "must be subordinated to the common good."

Title II provides for federal aid to almost any plan run by a community or private non-profit agency that promises to aid ill-literate or offers jobs to the needy. Venice and Madison school districts are operating educational programs for persons on relief, in addition to other adult training programs in the Quad-Cities.

The meeting is to be limited to discussion of Title II only, the first part of the federal act, and future meetings will consider four other titles involved. The meeting will be open only to those with invitations because of a limited capacity in the meeting room, it was announced.

Madison county is the center of the River Bluffs Motel Association will be host to State Senator Paul Simon and State Representatives Lloyd Harris, Ralph Smith and Leland Kennedy Friday night at the new restaurant of the Flamingo Motel in Alton.

Topic will be local and regional tourism promotion. Region Eight, Quad-City and Alton tourist attraction booklets will be presented to the legislators. William H. Thoskel, operator of the Chain of Rocks Motel here, will preside and Fred Summers will be toastmaster. William Deutch, Jacksonville executive secretary of the Illinois Inn Keepers Association will explain the new free advance reservation service instituted by the American Motor Hotels Association. AMHA members will make reservations for a stop at any other member motel by accepting advance payment and notifying the establishment.

police-dog patrols and painting in the police department quarters were taken under consideration Tuesday night by Granite City council members.

Referred to the Street committee were three bids received for the two pickup trucks: \$2950 from Matthews Chevrolet Co., \$3184 from Farrington Motors and \$3200 from Ewert Motors Co.

Approved was the purchase of the coin machines from G. L. DeHart Co., St. Louis, on its low bid of \$750. Another bid of \$1085 was received from a Wisconsin firm. Referred to the Finance committee were bids for a duplicating machine ranging from \$300 to \$750.

Bids for the desk and chair for the city treasurer were received from three firms and were referred to the City Hall committee for study. Triangle Paperworks submitted bids of \$41 for the chair and \$110 for the desk, while All Steel Co. set amounts of \$75 for a chair and three figures for a desk—\$110, \$123 and \$175. Dennis Office Supply Co. submitted bids of \$140 and \$160 for a desk and \$31, \$37 and \$49 for a chair.

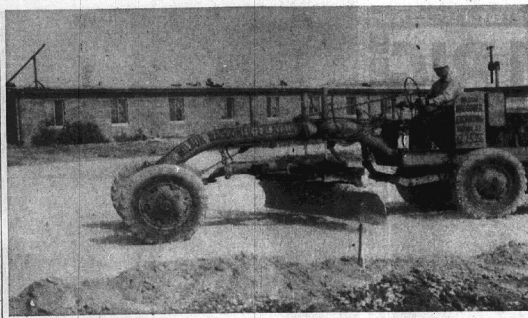

Also referred to the City Hall committee were bids for painting the jail, police radio room, squad room and halls. James M. Maubel bid \$1010 and Porter Painting Co. bid \$1295.

The police committee was asked to obtain prices for rental of walkie-talkie, two-way radio equipment for police patrolmen to be working with police. A cost of \$312 submitted by Motorola Co. was rejected by the council. Several alternates said the St. Louis and other police departments are renting the equipment.

## Bond Printing Price Needed To Speed GC Treatment Plant

Council members voted Tuesday night not to order bonds printed in advance for the \$1,735,000 sewage treatment plant, until the Special Election committee gets prices from two Chicago bond printing firms.

The advance type setting had been recommended by Bond Atty. William Beatty, in order that the bonds would be available immediately after the bonds are sold by bid.

In a letter to the committee chairman, Charles W. Moerlein,

## YMCA Offers Programs In 3 Bridge Events

The YMCA will resume its bridge program next week with duplicate, intermediate and basic bridge events.

The duplicate bridge program will start at 10:30 a.m. Monday with play to continue until about 2:30 with a 20-minute lunch break.

Fractional points are given at every meeting, and master point day is to be the first Monday of the month for this month when it will be on Monday. The group is meeting in the "Y" club rooms until further notice.

Another duplicate bridge group will meet at 6:30 p.m. Sunday beginning this Sunday. Fractional master points will be given for every game, and a master point night will be established if it is sufficiently attended. This is the group which formerly met on Wednesday night. The duplicate bridge director is Mrs. Sam Meyer.

An intermediate group will meet at 7:30 p.m. Wednesday for instruction, followed by supervised play. This group is for instruction, followed by supervised play. This group is for players who have had a basic course and wish to continue learning more about bridge. Sam Meyer is the instructor and supervisor. The cost for duplicate and intermediate bridge is \$1 per session.

A basic bridge class will be offered and registrations are being taken at the YMCA. The cost \$12 for 12 lessons. Meyer will be the instructor.

# PTAs and Sororities among Quad-City Organizations Opening Fall Social Season

## Eagles Auxiliary Makes Fall Plans

An activities planning meeting of the Eagles Auxiliary was held Tuesday evening with President Deborah Klesh in charge.

An invitation was received to a northern zone rally Oct. 24 and Mrs. Frances Steinman, a past state president, reported on an officers board meeting which she attended recently in Decatur when Mrs. Kathryn Dugan, state president, announced the state presidents project for the year would be the Illinois Division Cancer Society. The local group sent a donation to this fund.

Mrs. Helen Frazier, a newly-initiated member, was welcomed and welcomed. She, together with Mrs. Margie Hall, will serve as co-chairmen of a pillowcase social to be held Nov. 8. Also planned is a rummage sale for Oct. 23 at the IOOF hall. Mrs. Klesh and Mrs. Kathryn Clark will serve on the committee for the latter event.

Mrs. Helen Frazier, a past president, gave a resume of the Grand Auxiliary International Convention in Des Moines, Iowa, which she represented her Auxiliary.

Mrs. Klesh, who has been elected chaplain of District Eight, was presented with a gift from the group.

The Auxiliary and Aerle have completed plans for a family night Saturday. A pot luck supper will be served, followed by entertainment by the Eagles' kitchen band.

The prize for the evening was presented to Mrs. Estelle McKinney, and refreshments were served by Mrs. Clark. The Auxiliary will meet again Sept. 22.

## Evening Guild Begins Season

## Football Squads In Sneak Preview

Both local high school football teams will give their followers a sneak preview of the 1964 season with intra-squad scrimmages tonight and tomorrow night.

Green and White teams at Madison will clash at 8 p.m. today, with the Red and White squads at Granite City meeting at 7:30 p.m. tomorrow.

Head coaches at both schools, Madison's Glen Pickering and Granite City's Jim Morrison — both emphasized that the scrimmages are for students, parents and regular followers of the teams and that gates will be staffed.

In other words, no spies allowed.

**Full Game**  
Pickering said he will split his "first unit" among the two teams so that no one squad would have the advantage. He plans a full game.

The coach said emphasis this week in the Trojans' camp has been on defense, where line depth has encouraged him to look for a separate defensive line. There has also been work on punts, kickoffs and punt and kickoff returns.

"We're about ready to taper off on our heavy contact work," he said, looking ahead to the

### 'Pop' Meyer Named League President In Girls' Softball

Paul E. "Pop" Meyer, former manager of the Venice Sportettes, is the new president of the Girls' Twilight Softball League. He succeeds Ron Lucas of Maryville.

Meyer, who lives in St. Louis, has been associated with softball for a half-century. He began playing in 1913 when the game was in its infancy and for many years was one of the top pitchers in the St. Louis area.

He led the Slacks team to the national championship in 1936. No other St. Louis team has ever won the title, he said.

Meyer also organized the Greater St. Louis Girls Basketball League and for three years was president of the Women's Basketball Association, a national organization.

One of his first moves as president, he said, will be to include a league rule that no player can be moved from a lower standing team to a higher team. This he maintained, will keep any one team from garnering all the better players in the league.

## 95 Contributors

A total of 75 businesses and  
20 individuals contributed to  
the Spengler-Daves fund-  
raiser for the Spengler-Daves  
softball last weekend in Spring-  
field, Ohio, according to  
Emmanuel Daves. "We could  
not have made the trip without  
their help," he said. The team,  
managed by Earl Schuchman, won  
one of three games in represent-  
ing Illinois at the tourney.

## Strike Stops Practice

The teachers' strike in East  
St. Louis has halted football  
practice at East St. Louis senior  
and Lincoln high schools. The  
teams have had 11 practices  
each, three short of the required  
pre-season minimum set by the  
Illinois High School Association.

## Hargrove Inquest Held

A verdict of death from natu-  
ral causes was returned by a  
coroner's jury Wednesday dur-  
ing an inquest into the death of  
George W. Hargrove, 57, of 2224  
Benton street. Hargrove was  
stricken while at work at Gran-  
ite City Steel Co. last Friday  
and was pronounced dead on ar-  
rival at St. Elizabeth Hospital.  
The jury held death was due to  
a heart ailment. The inquest  
was conducted by Deputy Cor-  
oner Ferd Pieper.

## City Calls for Quick Action To Secure Old Cemetery Deed

Immediate action will be  
sought by the city to secure the  
deed for the old St. Mark's  
Catholic Cemetery in East Gran-  
ite. Council members instructed  
City Atty. George Elbert Jr.  
Tuesday night to make the nec-  
essary arrangements with the  
legal staff of the Springfield  
Diocese for the transfer and  
with the Granite City park dis-  
trict to acquire the property.

The city will concentrate for  
quick action on the Catholic  
Cemetery tract for its conver-

sion as a quiet park with walks,  
trees, flowers and shrubbery,  
and then hopes similar permis-  
sion will be granted by the board  
of trustees for the old Methodist  
Cemetery.

The cemetery trustees have  
not yet set a meeting date, but  
the legal staff has been advised  
of last week's consent by 20 of  
30 Catholic families that attend-  
ed a meeting called by William  
Jenkins, assistant city inspector.  
Jenkins was praised for his  
action by the entire council.

## Zoning Board Delays Action on Complaint

The zoning appeals board of  
Granite City has delayed action  
on complaints of neighbors of  
Walter Rozicki, 2016 Lindell  
Ave., and a definite property  
line can be established.

Glen Hollis, a board member,  
said Rozicki had built a rooming  
house and barbecue pit near his  
house which the neighbors com-  
plained is within five feet of the  
property line in violation of Roz-  
icki's building permit.

Hollis said Rozicki had started  
the project without a building  
permit, but after a hearing City  
Building Inspector E. A. R.  
Hunt issued him one with the  
stipulation that he stay at  
least five feet from the property  
line.

Now a question of the exact  
location of the property line has  
arisen and the board delayed  
action until it is established.

The board approved two vari-  
ations from zoning codes of Mrs.  
Mary Evans, 3228 Aubrey ave.,  
was granted permission to  
build a carport two feet from  
the side property line instead of  
the required seven feet in the  
R-2 zone. Warren Bequette, 2219  
R-2 zone. Warren Bequette, 2219

A new patrol car for the sher-  
iff was bought from Gentamar  
Chevrolet, Highland, for \$1475  
with a trade-in, and 2000 school  
directories were ordered from  
the Highland Journal for \$1148.

It was decided to seek bids on  
radio equipment for a civil de-  
fense trailer, and a committee  
was authorized to obtain bids  
and accept the low proposal for  
painting county nursing home  
buildings.

A resolution was adopted in  
memory of the late Edwardville  
Superior Earl Heron, and  
other resolution adopted 50% of  
the cost of replacing bed por-  
tions of the sidewalk around the  
courthouse if the other 50% is  
paid by the city of Edwardville.

A Half-year excess fees were al-  
lotted as \$22,625 from the cir-  
cuit clerk, \$11,208 from the  
county clerk and \$3308 from the  
sheriff.

## GC Home Looted Of Man's Clothing

Men's clothing was taken  
from a ransacked bedroom closet  
at the home of Paul Whelan,  
2720 Harding avenue, between 3  
p.m. Wednesday and 1:30 a.m.  
today.

The house was ransacked and  
clothes thrown onto the floor and  
clothes thrown out of a kitchen cabinet.  
Entry was gained by raising a  
screen and window at a front  
door.

## Car Leaves Lot, Hit

As it was making the Kroger  
parking lot onto Nameoki road  
at Clark avenue, the right rear  
of a car driven by Gertrude Wil-  
liams, 46, of 4115 Washington  
ave., was struck by a car driven  
north on Nameoki road by Ken-  
neth L. Bravley, 17, of 2601  
Lynch avenue at 4:25 p.m. Wed-  
nesday. She reported another  
vehicle had stopped on Nameoki  
road to make a left turn into  
the lot and the driver  
waived her on. Both autos were  
damaged.

## School Bus Hits Auto

A school bus driven by Luel-  
lana Edwards, 29, of 1644 Ed-  
wards street, struck the left  
front door of a car which was  
being opened by Betty Cash, 28,  
of 3849 Park lane, who had just  
parked it on 20th street near  
Delmar avenue at 4 p.m. Wed-  
nesday. The bus contained 30  
children, but no one was in-  
jured. The right front door of  
the bus was damaged.

## Hole Shot in Window

Irby Todd of Fleischman's  
store, 19th street and Delmar  
avenue, reported at 4:35 p.m.  
Wednesday that a hole was  
found in the front glass window  
of the store and was believed  
shot during the night by a BB  
or a pellet gun.

## Truck, Torch Stolen

A 1960 orange pickup truck  
and a combination cutting truck  
were stolen from the A. H. See-  
bold Construction Co., 2301 Ad-  
ams street, during the night, it  
was reported at 8:45 a.m. today.  
The truck had the name of the  
firm on the door.

## Cuts Thumb with Saw

Gary King, 17, of 2824 Wash-  
ington avenue, had three stitches  
applied to a cut on his left  
thumb, suffered on a saw while  
he was at school. He was given  
treatment at St. Elizabeth Hospi-  
tal.

## Faces License Charges

Robert A. Ban, 23, of St.  
Louis, was arrested at 3:10 p.m.  
Wednesday at 2413 and Adams  
streets on charges of driving  
without state license plates or  
driver's license. A hearing was  
set for Sept. 19.

## MORE ABOUT B. Frank Bennett

(Continued from page 1.)

street address with a daughter,  
Miss F. Lorraine Bennett, at  
rolling mills in Louisville, Ky., before  
accepting employment at the  
Madison Rolling Mill and later  
at Granite City Steel Co. He  
served two terms as a Sixth  
Ward alderman in the 1920s and  
early 1930s, and aided in cre-  
ating Granite City township,  
serving as supervisor from 1935  
to 1937.

Upon returning here from  
St. Louis in 1941, he was un-  
successful candidate for mayor.  
He was employed by the East  
Side Levee and Sanitary District  
for 16 years before retiring in  
the 1950s. His affiliations at one  
time included the Eagles, Moose  
and Woodmen, and he was a  
charter member of the Full Gospel  
Tabernacle, later the First  
Assembly of God Church.

Besides his wife and daughter,  
he is survived by a son, Chief  
Warrior Officer Joseph Warren  
Bennett, stationed at the Dover, Del., Air Force Base.  
He was preceded in death by  
his son, Earl, who died in 1954  
by a daughter, Mrs. Ethel  
L. Phayer, former city court  
reporter in Granite City, and  
by another daughter, Mrs.  
Elsie L. Dorch.

His remains were taken to a  
Granite City funeral home. An  
obituary notice is given else-  
where in this issue.

## Equipment Stolen In Wolfe Burglary

A variety of equipment was  
stolen during the night in a  
burglary at M. H. Wolfe & Co.,  
2201 Adams street. It was re-  
ported at 7:55 a.m. today. No  
amount was set for the loss.  
Included were tools, electric  
saws, sanders, welding and oth-  
er equipment. Entry was gained  
by forcing the rear door to the  
warehouse and knocking the  
locks off of storeroom and tool  
cabinet doors.

## Charged With Speeding

James M. Myrick, 39, of Rural  
Route One, was arrested at 1:15  
a.m. today at East 23rd and  
Henry streets on a charge of  
speeding. A hearing was set for  
Sept. 23.

PLAN JOINT PARTY

Officers of the St. Elizabeth  
Catholic Church Holy Name So-  
ciety and Altar Society are mak-  
ing plans for an annual joint  
Christmas party. Reginald Mon-  
nerick and Mrs. Ann Pare, pres-  
idents of the two groups, have  
announced that the date will be  
Nov. 28 at the Lewis and Clark  
restaurant.

Mrs. Cora Hettich, Caseyville,  
and Mrs. Gusie Mekisick, 2976  
Iowa street, represented Gabriel  
Shrine 78 at an annual banquet  
held in Buffalo, N. Y., during the  
Labor Day weekend, returning  
home Monday night. The din-  
ner honored Mrs. Gwendolyn  
Heath, supreme noble prophetess  
of the White Shrine of Jerusa-  
lem.

FORMER RESIDENTS

VISITING HERE

Mr. and Mrs. Emil "Skip"  
Damotte of Rolla, Mo., arrived  
here late Monday evening to  
spend time visiting their parents,  
Mr. and Mrs. Emil Damotte and  
Mr. and Mrs. Sam Freley.

Damotte left by plane Tues-  
day morning for Mobile, Ala.,  
where he is making a business  
trip for the Beloit Manufactur-  
ing Co. of Beloit, Wis., a com-  
pany he was employed with dur-  
ing the summer months.

He will return here this eve-  
ning, and the young couple will  
return to Rolla, where he will  
begin his junior year at the Uni-  
versity of Missouri at Rolla. He  
is majoring in mechanical en-  
gineering.

Religious Center Plans

Preliminary plans have been  
drawn up for construction of a  
religious center at Southwestern  
Illinois University. It was an-  
nounced Tuesday at a quarterly  
meeting of directors of the re-  
ligious council. Financing will  
be discussed by the council  
board Dec. 1.

coloration. I say let them prove  
they aren't causing it."

He was reminded again by  
City Atty. Filcoff that the bur-  
den of proof falls to the city.

The state health department's  
interviews with householders,  
while recognized by the city of-  
ficials as beneficial, also was  
termed as "another round of  
talking and no action."

Whitmer urged immediate ac-  
tion because of the usual fall  
rains. "This happens almost  
every spring and fall when  
there's lots of rain."

Nonn suggested the residents  
write letters and arrange for a  
meeting with Granite City Steel  
officials.

The council, however, voted  
unanimously for the mayor to  
get cost figures on hiring an  
expert.

Posts Bond for Hearing

Odie Williams, 56, of 1218 Mar-  
ket street, Venice, is to appear  
Sept. 21 in magistrate's court  
for hearing on charges of drunk-  
ness and disturbing the peace.  
Williams was arrested by Ven-  
ice police Tuesday and released  
on property bond Wednesday.

## Askins Improving Slowly

Gradually regaining conscious-  
ness, David Askins, 16, son of  
Mr. and Mrs. George Askins, 709  
North 26th street, this week be-  
came able to follow activity with  
his eyes. However, the Barnes  
Hospital patient has not been

able to speak since being hurt  
when an auto overturned at  
Mitchell Aug. 31. Five other  
youths injured in the crash have  
been released from hospital  
treatment.

HOLIDAY GUESTS  
Mr. and Mrs. William Eberholt and son, Jim, of Thorie street entertained guests in their home during the Labor Day weekend. Dinner was served to Mr. and Mrs. Walter Gath and daughter, Becky, of Martinsville and Mr. and Mrs. Neil Eberholt of Granite City.

LABOR DAY GUESTS  
Mr. and Mrs. Larry Schmidt and family of Lincoln avenue had as guests in their home for the weekend her brother, sister-in-law, Mr. and Mrs. Karl Welp and daughter, Lisa, of Chicago. Other guests for dinner on Monday included Mr. and Mrs. August Midden and children, Dennis and Connie, of St. Louis.

Mrs. Gertrude Dummire, 900 Third street, was a dinner guest of Mr. and Mrs. Al Fitcher of St. Louis during the Labor Day weekend. Mrs. Dummire was honored on her birthday, being presented with gifts.

Also present for dinner were Mr. and Mrs. Ernest Restoff and daughter, Margie.

HOLIDAY TRIP  
Mr. and Mrs. Delph Cooper of Broadway and Mrs. Jessie Cooper of Abbott street returned home Monday from a weekend trip. They spent two days in Alley Springs, Mo., and also attended a reunion of the Brown family in Mountain View, Mo.

HOLIDAY GUESTS  
Mr. and Mrs. Calvin Bosworth and family of Lincoln avenue had as guests in their home Monday Mr. and Mrs. Robert Wooden and children, Dawn and Danell, of East Alton, who visited Mr. and Mrs. Roy Benner and family of Granite City.

CYC TO ATTEND DEANERY MEETING  
A meeting of the St. Mark's CYC was held Tuesday evening in the school basement. The meeting was conducted by the president, Noy Shambo.

Future plans were discussed and the group will attend a deanery meeting at St. Boniface Church in Edwardsville Sept. 18.

Others present were: Mary Ann Caruso, Judy Johnson, Roseann Cooper, Dorothy Wilkinson, Nancy Scaturro, Frances Manzi, Mary Lou Shambo, Meridel Foley and Nite Lopez.

(Further study and a report to the Legislative committee for further study and a report to the council.)

The resolution follows a recommendation by Gov. Kerner for the Madison-St. Clair county planning commission to do the job for area instead of Missouri.

Illinois Bi-State Development Agency which has offered to coordinate planning for a 10-county area in the two states.

A planning agency is required for the area to qualify for funds under the 1962 Federal-Aid Highway Act which calls for a comprehensive transportation plan.

The city would have representation on the commission. Locally, the city has been unable to proceed with the widening and resurfacing of Nameokid road. Alderman Earl Thompson called upon City Atty. George Filloff Jr. for a progress report on right-of-way acquisition — a responsibility of the city.

Filloff said he had completed work on six of the 47 parcels needed, but that the state wanted reappraisals on several other tracts and that changes of positions of traffic separating lands at the Nameokid-Fehling Johnson road intersection was causing problems.

Mexican Actress Repays Visit by GC Ensemble  
Selvig Ingrid, stage, screen, radio and television actress in Mexico, arrived by air last night to spend a week visiting at the home of Mr. and Mrs. James Todoroff and son, Robert D. Todoroff, 2501 Delmar avenue.

The blonde actress, who is of Norwegian descent, served as official hostess for the governor of Cuernavaca in connection with the two-day visit there this summer by the Granite City student Latin American music ensemble directed by R. D. Todoroff.

After the stay here she will be friends in California before returning to Mexico City, where she will begin rehearsals for a new stage play.

## 'Y' Teen Town Season To Open on Saturday

The YMCA teenage department will officially open its fall season with a "back to school" orchestra dance from 9 p.m. to midnight Saturday in the "Y" gym.

The dance is open to all Quad-City high school students.

Hi-Y and Tri-Hi-Y clubs are scheduling meets to discuss club projects, fund raising drives, inter-club activities and formations of new clubs.

Meetings also are being held for youths interested in physical, social, educational and tournament programs this week.

A meeting to arrange Teen Town tournaments, including table tennis, pool and volleyball, is set for 8 p.m. today, and an educational committee is to meet at 6 p.m. today.

## 2 More Guards Hired for School Crossings

Employment of two additional school crossing guards was authorized Tuesday night by Granite City council members with the new watchmen to be assigned to the crossing at West 25th street and Missouri avenue for Logan schools and at 31st and St. Clair avenues for St. Margaret Mary parochial school.

The additional guards are to be named by Mayor Davis and the requests for their assignments were made by council members over the protests of Alderman Earl Thompson, who suggested the requests be referred to the mayor's citizen committee on traffic safety at schools. The committee has made all other recommendations, he pointed out.

The council's Legislative committee was asked to propose to the state legislature a bill which would give cities financial assistance in hiring crossing guards at schools.

At present there are eight guards on assignment and two alternates. The pay scale is \$6 a day.

Mrs. Gabrielle Belinec, who heads the Legislative committee, stressed that traffic safety is sorely needed throughout the country to offset the "big killer," Thompson pointed out, that any alderman could request crossing guards "at any number of crosswalks in each ward."

"How far can we go?" he asked, pointing out that crossing guards could become as numerous as stop signs. "I've been on the council 15 months and at least 50 stop signs have been approved, including one that was requested by a single resident."

Suggests Control Commission

"We need a traffic control commission, and we do have a committee to study school crossing safety measures," he added.

The present crossing guard assignments are—Alwyn Bodman at 22nd street and Madison ave-

nue; Charles Jackson at 28th and Madison, Samuel Scribner at 29th and Madison, Fred Meng at 20th and Benton, Samuel Shackelford at Namooki road and Pershing, Ernest Dodd at Namooki and Ponton roads, Cecil Townsend at Ponton and Vine and George Gallas sr. at Johnson road and Wabash avenue.

The alternate guards are Ben Olive and Percy Dougherty.

### Bend Road News

MRS. EILEEN ROBINSON TR. 6-5268

**LABOR DAY SUPPER**

The Horseshoe Lake Rod and Gun club held a ham supper Monday with about 30 people attending.

**HOLIDAY TRIP**

Mrs. and Mrs. Floyd Graham and children, Stella, Glen and Betty, went to Poplar Bluff, Mo., for the holiday weekend and returned Monday. Mrs. Graham's mother, Mrs. Stella Bell had been visiting here for a week and attended a grandson's funeral in St. Louis. The Grahams took her to her home.

**REPORTS TO COLLEGE**

Miss Sue Mueller left this week for Charleston, Ill., to attend Eastern Illinois University. She is the daughter of Mr. and Mrs. Ervin Mueller.

**REVIVAL IN PROGRESS**

The Bend Road Baptist Church is holding a revival. Rev. David Johnson of Kentucky is preaching at the special services. On Wednesday evening Miss Debbie Cagle, Miss Debbie Bridges and Billy Bridges sang "He Holds the Whole World in His Hands."

**HOME FROM KENTUCKY**

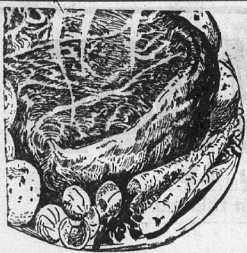

Mr. and Mrs. Wesley Buckling and son, Marvin, returned home during the weekend from a visit to relatives in Kentucky. Marvin fell from a ride on a playground while there and injured his elbow.

**Mrs. Vivian Cundiff** is in St. Elizabeth's Hospital for treatment of an allergy and virus infection. She is expected to be released today.

### BRIDAL SHOWER HONORS MISS JUDY BORTH

Miss Judy Borth was complimented with a holiday weekend bridal shower. She is to become the bride of Terry Dutko Oct. 18 at the Nativity of Virgin Mary Church in Madison.

The shower was given in the basement of the church by Miss Elaine Tanase and Mrs. Maime Tanase, assisted by Mrs. Ann Podnar, Mrs. Sara Dutko and Miss Janet Borth.

As the bride-to-be entered, she was presented with a white orchid. Suspended over the table of gifts was a huge white net umbrella, edged in a double ruffle of heavenly blue. The umbrella was trimmed with royal blue bows and lilies of the valley.

The buffet table had an overskirt of white net edged with a blue net ruffle, and held a centerpiece of blue and white flowers. Silver candelabra held tall blue candles. The table which contained the punch bowl was surrounded with blue and white flowers.

The bride-to-be was assisted in opening her gifts by her bridesmaids, Miss Barbara Jo Dutko, Miss Elaine Tanase, Miss Janet Borth and Mesdames Doris Gipsen and Jackie DeConia. The many gifts were viewed by the guests, after which prizes were given.

A buffet luncheon was served to Mesdames, George Prier, Helen Andrews, Vera Malecek, Ann Churn, Ann Goyda, Delores Zella, Anne Churn, Rosemarie Schmidt, Helena Sinach, Peggy Churn, Mary Churn, George Churn, Nancy Bojovchak, Joann Parial, Clara Bojovchak, Frances Smerok and daughter, Mary Ellen, Olga Fedack and daughter, Elizabeth, Bernice Bojovchak, Julia Bischoff, Ann Butcher and daughter, Karen, Helen Knudsen, Eva Yenalas, Mary Johnson, Mary Kosky and daughter, Jean Bedrosian, Cathryn Churn, Irene Kosky and Peter Kosky all of St. Louis, Mesdames Marie Bily, Teresa Bily, Rose Cerutti and daughter, Betty, Elizabeth Warren, Ann Crowell, Mary Leterman, Mary Dochinczew, Sue Cruta, Jane Jilk, Olie Norakas and Miss Carol Huston of the Belleville, Collinsville and East St. Louis areas, and Mrs. Margaret Ruid and daughter, Janice, Des Moines, Ia., Mrs. Mary Perdue and daughter, Doris Ann of Andora, Turkey, and from the Quad-Cities Mesdames Florence Czervinski, Maxine Dacus, Helen Williams, Ramona Fryntko, Agnes Fryntko, Harry Fryntko, John Fryntko and daughter, Jeanne and Marie, Ann Fryntko, Helen Cholewick, Nancy Norman, Naum Belcoff, Diane Belcoff, Nancy Harshany, Sophia Greene, Al Ledbetter, Doris Gipsen, Beverly Dion, Vivian Gitchoff and daughter, Tina, Ann Ravak, Ruth Tedesco, Amalia Kello, Loretta Hylla, Leona Macok, Elizabeth Wisniewski, Judith Kopechak, Sylvia Reeves, Anna Bakiely, Rose Makiely, Dinah Blattner, Mary Rydzyn, Ann Sikora, Dessie Kniffing, William Lux, Mary Gault, Ruth Ann Craig, Hazel Presley and daughter, Diane, Jewell Duncan, Lena Garden, Merice Wallace, Mary Dutko and daughter, Patricia, Sally Pavlow, Mary Kuback, Lorraine Stawar, Magdalena Kniffing, Sophia Dutko, Merle Borth, Margaret Pecurka, Ann Podnar and daughter, Mary, Cozie Kaylich, Nellie McBride, Touma Michalidis, Mary Morisius, Elsie Brown, Olga Simurda and daughter, Kathy, Julia Nishke, Mary Venorsky, Veronica Patrick, Ann Konopka, Ann Gies, Mary Dusok, Pauline Borchers, Helen Dobrinick, Lizzie Davis, Carol Down, Ann Sparck, Eva Kulick, Sophie Derron, Josephine Knezovich, Mary Macok, Lillian Bailey, Sandra Kosky, Eva Purdes, Shirley Dutko, Winnie Sasyk and Stephanie Rydzik and Misses Emily Tyl, Rand, Anita Brown, Nina Purdes, Sue Washenko, Irene Hackett and Charlie Ann Hackett.

MEETINGS RESUMED  
BY PEPPI CLASS

Members of the Peppy class of the First United Presbyterian Church met Tuesday evening in the service rooms of the church for their monthly meeting.

The meetings are being resumed after being halted for the summer months.

Miss Irene Hackett, president, presided. Miss Opal McFarland spoke on "Ladies A Woman of the Bible," which she used for the devotional.

During the business period, plans were made for a bake sale Sept. 19 at Glick's in Madison. A bazaar and spaghetti supper will be held Dec. 5 in the basement of the church.

A social hour was enjoyed, with games played by Mrs. Clara Lux, Mrs. Gladys Zentgraf, Mrs. Joyce Walker, Mrs. Gloria Taylor, Mrs. Elizabeth Bucher, Mrs. Norma Hilder, Mrs. Hazel Hinson, Mrs. Betty Meyer and Misses Dorothy Hinson, Luella McCoid, McFarland and Hackett.

Prizes were awarded to those excelling, and refreshments were served by Miss Hackett. Mrs. Bucher has invited the class members to her home, 1527 Fourth street, for the meeting of Oct. 13.

name its own committees and not give the power to one man. He said it was evident that the amendment would not be submitted for final approval Tuesday night because of the absence of several other aldermen — Partney, Dallas and Boyd.

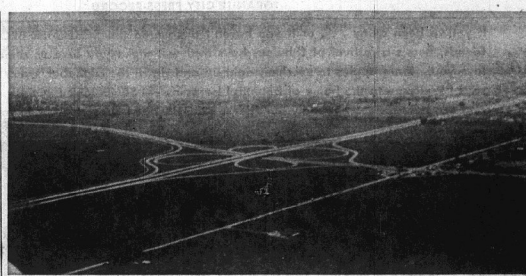

Nonn called for support of the proposal, saying the mayor should be a strong mayor without interference from the council in naming committees. Nonn has stated that he will support Von Dee Cruse, former alderman and now township tax assessor, for the mayor post next April.

Sternberg, a contractor, also has tossed his hat in the mayor ring. Alderwoman Betinec, who represents the Seventh Ward along with Sternberg, agreed with Nonn that the mayor should name committees to provide a system of checks and balances between the executive and legislative branches of the city government. She said that with the council changeover in 1963 there had been illegal meetings and appointments, and she suggested the top posts go to aldermen with seniority through

conferences of the mayor and aldermen.

The amendment would limit committee membership to three aldermen, where several committees now have four members. The city code now specifies that the mayor name the committees only in the absence of recommendations from the council.

Voting for the amendment were — Nonn, Skubish, Basarich, Mrs. Betinec, Bartosiak, Johnson, Bergfield, Pence and

## Levee Board Will Seek Sealed Bids On Unused Levees

Unused parcels of land owned by the East Side Levee & Sanitary District will hereafter be advertised for sale on a public, sealed-bid basis, the district's trustees decided last night at the board's regular monthly meeting in East St. Louis.

The action was taken after Granite City farmers had expressed interest in buying property on abandoned levees near Mitchell. Board president Lawrence Talar said public sale would be the only fair way to dispose of unneeded property. Talar said the two parcels currently being sought after are of no use to the levee district. He said the land is only a nuisance and that the district is under the burden of maintenance of the property. Two farmers who attended the meeting, however, were not happy with the board's decision.

**Wants 18 Acres**  
Harry Deatherage, 5120 Maryville road, said he has been trying to buy 18 acres near Maryville and Old Alton roads since 1961 but the levee board has put off any decision on his offers.

New he fears the sealed-bid rule will encourage others to go over his offers, which have been published, and force him to bid a price "far over the market value." The land in question was recently appraised at \$10,000 by Richard Reber of Granite City. Thomas Kula, Rural Route One, also was at the meeting and made a verbal bid to buy about 40 acres near the Hartford Canal off Route 87. Ben Day, levee clerk, said another person has bid on the property which has been appraised at \$10,000 by S. E. "Skip" Shipley of East St. Louis.

At present, Deatherage is farming four acres of the land he wants which adjoins his father's property and Kula has been on part of the parcel he wants which does not adjoin his property. The levee board has not objected to these uses of the land because it reduces the maintenance burden for the district.

**Bid Opening Oct. 7**  
Although sympathizing with the farmers who have "let the cat out of the bag" with regard to the amounts of their bids, the board passed a motion to accept sealed bids on the two parcels up to 7 p.m. of Oct. 7, the date of their next regular meeting. The bids will be advertised in the Press-Record.

The same procedure, the trustees said, will be followed on other unused parcels in the future.

In other business, the board agreed to buy a .11-acre strip from the Union Electric Co. for \$200 to install a facility in Venice as part of the new system connected to the Landowne sewage treatment plant which is to be built soon in East St. Louis.

A resolution was passed to pay \$16,545 to Keeley Bros. Construction Co. of East St. Louis and \$400 to Horner & Shifrin, St. Louis consulting engineers, for work done on the new Cahokia sewage treatment plant during August.

The trustees also accepted a recommendation to settle out-of-court for \$4200 on a \$10,000 property damage suit brought by Frank Tojo, East St. Louis, whose land was damaged by flooding from levee property.

### \$825 Loss in Two Fires

Granite City firemen responded to two alarms Wednesday. One was a two-car garage at the home of Steve Markopet, 2310 Lincoln avenue, at 9:10 p.m. The loss was set at about \$800. The other was a shed at the home of Margaret Hargrove, 2224 Benton street, at 5:25 p.m. The damage was estimated at \$25. Both fires started from burning rubbish.

### Stolen Car Recovered

A 1960 four-door station wagon, reported stolen from Arthur Chadd of Collinsville at 6 p.m. Tuesday from Niedringhaus and Grand avenues, was found at 7:30 p.m. on the Belleme Village shopping center parking lot.

The A. O. Smith plant opened here in September 1954, and in March 1963, celebrated the production of its five millionth frame.

**GC Youth, 18, Has**  
**Form of Sleeping Malady**

Patrick M. Gavin, 18, son of Mr. and Mrs. Charles Gavin, 2808 Washington avenue, currently is under treatment at home for pneumocephalus, a form of sleeping sickness.

The ailment is not the same as the sleeping sickness disease which spread into Illinois last month, according to his father, who is vice-president of the First Granite City National Bank.

He said it was induced by pneumonia and that his son had the first attack last February and has been in the hospital six times since then. The last attack came last week.

"We have trouble keeping him awake," Gavin said, "and we think the trouble is due to medication." About a year of medication should effect a cure, he added.

The youth is a senior at Assumption high school. He should have graduated last spring, his father said. "We hope he will be able to finish this year." He may be able to return to school next week.

So far only one case of encephalitis has been reported in Madison county. The hospitalized victim is the daughter of a Highland funeral director.

Quarterly birthdays will be observed during the evening.

Cake and gelatin were served by Mrs. Kathryn Ohai, Mrs. Daisy Burnett and Mrs. Carrie Grisham.

# New Cultural Series Set Yearbooks on Sale For SWIU During Autumn At Venice; Juniors

An "artists and special attractions" series to be inaugurated by the University Center board in cooperation with the student council, the series is designed to "bring in the finest possible artists each year to serve the cultural and educational interests and needs of the SWIU community," according to Robert Handy, University Center director.

Among them will be pianist Roger Williams, the Mitchell-Ruff trio, jazzman Stan Getz and the Liora Puppets International. Robert Handy, University Center director, called "the master of the director."

Two of the events are set for October—the Stan Getz quartet for public performances at the Edwardsville high school auditorium. Also appearing there during the school year will be the Raduga dancers on the Raduga dancers, Russian Nov. 6, ballet and folk ensemble, and Brazilian singer Astor Gilberto.

Each of the events scheduled for Alton and East St. Louis will be staged twice at the SWIU centers in those two cities and will be free to the public. They will include the Mitchell-Ruff trio, which recently returned from a tour of the Soviet Union; Major Art exhibits will be on shall Izen, pianist; Gordon Hall, display each month at both known as the "batter against political candidates and others, as well scientist and explorer who will describe his experiences atop Mt.

## Jr. High Students Interested in Program At YMCA Sept. 26

All junior high school students interested in becoming a member of the Junior Tri-Hi-Y or Junior Y's Guys clubs are invited to visit the YMCA from 1 to 4:30 p.m. Sept. 26 when the program for the new season will be explained.

The Teen Town lobby is reserved for club members during those Saturday hours, and a free "sock hop" for all junior high students will be held. Games will be played, and a snack bar, centrally located in the "Y," will be available for refreshments.

A membership in the "Y" is all that is required to become a member of one of the junior clubs. Each club has a separate program under the supervision of adult advisors, and all clubs work together on many of the social and civic projects.

Activities Varied As a club member, a student may participate in a variety of activities, including Saturday morning splash parties, followed by breakfast, a Halloween party and dance, stage shows by the members and other social events. Trips have been planned and include visits to the St. Louis Art Museum, the Eugene Field house, Planetarium and a St. Louis dress factory.

In November, a book drive will be held to collect books for the youth department reading room. Civic projects as assisting in scholarship tag days and selling candy mints to help build YMCAs in other parts of the world are conducted.

Girls' Activities Activities for girls include badminton, trampolining, judo, acrobatic gymnastics, table tennis and swimming, and for boys, weight training, wrestling, trampolining, judo, basketball, track and swimming. Many activities as volleyball, dance classes, swimming committee is composed of Mrs. Harry Epstein, chairman; Mrs. Mary Herman, Mrs. Jo Ross and Mrs. Richard Neumann.

Elect New Officers

By JUDY REIDELBERGER  
Cathy Ochoa, Mary Donna Scaturro, Marilyn Gonterman, Diane Wilcox, Pamela Smith and Judy Reidelberger of the Venice high school publications class are the busiest students in school.

They have been selling yearbooks since Sept. 2 and will continue to do so through next Wednesday. The price is \$3.50 cash.

The editor, Cathy Ochoa, and the assistant editor, Judy Reidelberger, sold ads before school started, and the class was to complete selling ads this afternoon.

Next Wednesday they will be busy with photographers who will take pictures of students from kindergarten through the 11th grade. Almost 500 students are to be photographed in one day.

Seniors will visit the studio to have their pictures taken during the following week. Pictures of high school teachers and employees will be taken for use in the yearbook.

Thursday when informal photographs also will be taken.

Junior Class Officers The junior class elected officers last week. They are Margaret Taylor, president; Barbara Manier, vice-president; Barbara Mulnik, secretary; Bernice Koelker, treasurer; and Mary Jane Gray and Terry Cooper, student council representatives.

Last Friday a representative of the Mississippi Valley region spoke to members of the sophomore, junior and senior classes and showed a film about Junior Achievement.

Those interested in participating in JA this year turned in program cards to the representative.

Results will be available next Wednesday, according to David R. Van Horn, coordinator of the campus student employment and placement service. Last year about 85 students took part in a similar testing program, he said, and 42 of them were successfully placed in part-time positions at the university.

More information may be obtained by phoning the student employment office at 656-3970, ext. 273. Job counseling and referrals are handled by Max Hancock at the SWIU student employment office in Alton and Philip Eckert in East St. Louis.

SIU Rehabilitation Institute Gets \$66,000 Southern Illinois University's rehabilitation institute at Carbondale has been awarded \$66,000 by the Vocational Rehabilitation Administration to support its employment counseling program.

The institute said that latest grant includes \$36,678 to help cover instructional costs of a series of six-week programs to train counselors to develop job opportunities and help place handicapped workers. An additional \$29,322 is to be given in traineeships for selected participants.

HEAVY TRAFFIC in the Granite City high school cafeteria where half-hour lunch periods start at 10:40 a.m. and continue through 1:20 p.m. The present facilities have a seating capacity for 350 students at one time, and a new cafeteria is in the planning stage with a larger capacity.

While the number of lunches being served at present is setting no records even with 2338 students at the school, an increase is expected when cold weather arrives and students no longer leave the school for lunch.

## Jr. Achievement Center To Open Here on Oct. 12

The Granite City Junior Achievement center will open its new season during the week of July with business leaders in Edwardsville to discuss the proposal.

Sixteen manufacturing companies and a bank again will be in operation at the center located at 3307 Wabash avenue, with four each on Monday through Thursday evenings.

Recruiting assemblies are being scheduled at Granite City and Madison high schools. The regional office has received 49 applicants at Venice high school.

John Lakin of the A. O. Smith Corp. will serve his second year as manager of the new JA building which was completed last summer.

The first training session for advisors was held last night at the Sheraton Jefferson hotel in St. Louis. The next will be held Sept. 21 at the same place, and a third is scheduled for the week before the opening at the local center with the manager on the scene to help the advisors to be on duty.

The local center may not have participants from Edwardsville high school this year, the regional office said, as an effort is being made to organize from three to six manufacturing companies.

Graduates From Technical Training Airman Third Class Dennis L. Gordon, a son of Mr. and Mrs. Francis J. Gordon, 1624 Third street, Madison, has been graduated from the technical training course for U.S. Air Force munitions specialists at Lowry AFB, Colo. Airman Gordon, now qualified to load, assemble and dispose of explosive munitions, will be assigned to one of the Air Force major air commands within the United States.

A graduate of the Madison high school, he attended Southern Illinois University before entering the service.

Nurses' Training Opens At Missouri Baptist Two Quad-Cityans are among 59 students in the freshman class at the Missouri Baptist Hospital school of nursing in St. Louis. They are Miss Jacqueline Lee Holman of Granite City and Miss Patsy Louise Schofield of Madison.

Orientation for new students is taking place this week, and classes will start on Monday. The fall semester started last Monday with an afternoon reception held in the nurses residence. There are 29 juniors and 26 seniors enrolled in the school's three-year course.

Earns Honors at M. U. Linda Ann Lester, 2729 Washington avenue, is one of 891 students in the University of Missouri's college of arts and science to help make the dean's honor roll for the 1963-64 school year, it was announced by Dr. W. Francis English, dean. This is the largest number making the dean's list in the last decade.

## Off-Campus Housing Constructed at SIU

More than \$6 million in off-campus student housing financed entirely by private capital is under construction in Carbondale, Ill., during the academic year.

University officials were told Naval Station, Brunswick, Me., with Patrol Squadron 11 plus plans now on architect's drawing boards, should provide Air facility, Sigonella, Sicily, housing for 6500 students. It involves off-campus residence halls will fly the anti-submarine "Neptune" for single students and small units in anti-submarine missions over the Mediterranean.

Information filed for building hall projects for 1185 single students and 63 one and two-bed rooms for another 4000 students.

The JA bank will be completed in time for the start of new in the drawing board stage, the fall term this year.

Eleven more residence halls, TRAVELING BY AIR. Call with facilities for 1337 students, HOLIDAY SERVICE, GL 2-3131 to be announced later.

## Lybarger Installed As Roca Club Head; 2 Youths Honored

Jerry Lybarger was installed as president, Jerry McKechnan received the outstanding member award and Dave Gruen was presented with the founder's plaque at public ceremonies conducted at a meeting of the Roca Young Men's club Tuesday night at the Moose lodge.

The club itself was presented with a plaque from the Moose lodge in commemoration of 10 years of association with the lodge. The club itself is 14 years old.

Other new officers installed are Rick Whitall, internal vice-president; Rick Turner, external vice-president; Jerry McKechnan, treasurer; Phil Muner, secretary; Jim Pomeroy, pledge-master; and Steve Fraley, sergeant-at-arms.

The installation and awards presentation was part of a program which included an open house, entertainment and refreshments. Miss Mary Church, the current club sweetheart, served as hostess. Earl Parkinson is the counselor for the club.

## Completes Reserve Officer Training

Cadet David R. Hancock, a son of Mr. and Mrs. Willard E. Hancock, 1 Frontenac lane, has completed the U.S. Air Force Reserve Officer Training Corps (AFROTC) summer encampment at Lincoln Air Force Base, Neb.

A member of the AFROTC unit at the University of Illinois, Cadet Hancock is a graduate of the Granite City high school. He will be eligible for a commission as an Air Force second lieutenant upon completion of AFROTC training and graduation from college. He is a member of Delta Chi.

# Ferguson Paced Great Trojans of 1957

You don't have to go far back into the past to find Madison high school's winningest football team in history. The 1957 squad posted eight wins and very nearly became the only Trojan aggregation to go undefeated, losing only the season finale 26-19 to Collinsville. Incidentally, the Kahoka that season finished with a 6-3 record to become that school's only undefeated team.

"Another two minutes and I think we'd have tied them," said assistant coach Joe Asperger, who is still a Madison alumnus. "It was miserable," said head coach Francis "Pat" Dant, who is now MHS principal. "It was cold, drizzling and we got off to a bad start. We dropped two passes in the end zone—I don't know whether it was the cold or what."

Whatever happened that night at Collinsville, it did little to dim the brilliance of that '57 squad and its superstar, halfback Larry Ferguson.

This was the season that "Fergy the Great" capped his brilliant three-year career by scoring 171 points with 27 touchdowns and eight extra points. Over the three years, the 5-foot-10-inch 180-pounder scored a remarkable 378 points.

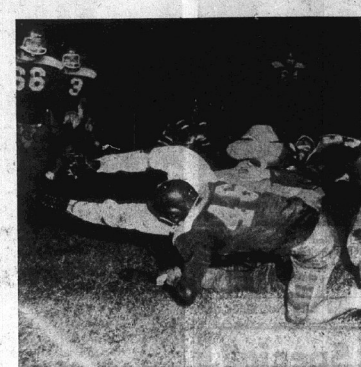

"He was such a star on offense," recalled Dant, "that many of his other good points were overlooked. He was excellent on defense, playing linebacker and halfback. That was a tremendous tackle."

Even in that loss to Collinsville, Ferguson was brilliant. He gained 284 yards rushing in 21 carries, an astounding 13.5 average. One of his runs was 73 yards for a touchdown.

In game, a 56-0 romp over Cahokia which clinched the Midwestern Conference title for the team, Ferguson scored 49 points. In a 24-7 triumph over Granite City, the last time the Trojans have beaten the Warriors, Ferguson scored all the points.

Ferguson, selected to the all-state team in 1957, went on to become an All-American and captain at Iowa University. Until this season, he played for the professional Detroit Lions. He recently joined the Edmonton Eskimos in Canada.

"Football was his life—and still is," Dant said of

**ALL-STATE HALFBACK** Larry Ferguson is suspended in air for a moment as he crashes into Roxana tacklers in a 1957 game. The Trojans won the game 19-13 and went on to post an 8-1 record, best in the school's history.

the dedicated Ferguson. As a sophomore, Ferguson paced the Trojans to their first conference title in 1955 and, in his junior year, the team finished second because of a 13-12 loss to Roxana.

In Ferguson's three years at Madison, the Trojans

had an overall 21-4-1 record. In the 26 seasons before Ferguson arrived, there had been only three winning teams.

"But we had some other exceptionally good boys on that 1957 team," Dant said. "For example, there was little John Modrak—150 pounds soaking wet—who was the most underestimated halfback in the area. He had great fortitude and determination, and was quick on his feet."

"Other teams would, of course, key their defenses on Ferguson. So we'd turn Modrak loose and there were very few times when he ever let us down."

Ferguson, quarterback DeWayne Jolly, guard Danny Reilly and center Jake Young were all Midwestern Conference choices that season.

Other backs who saw considerable action that year included fullbacks Bill Dorris and Earl Ferguson (Larry's brother), halfbacks Terry Duko, Corky Hamilton, Dave Hanahan and Charles Lybarger and quarterback Fred Riddle Jr.

Linebackers included end Vernon Wilson, Claude Jenkins and Bud Diller; tackles George Kurey, John "Cannonball" Sikora, Dan Rydick, Jim Persinger, Don Helden and John Sekora, who was injured most of the season; guard Bill Kinder; and center Henry Nowicki.

Before losing to Collinsville, the team knocked off Sparta 19-18, Granite City 24-7, Dupo 21-13, Roxana 18-13, Bethalto 25-13, Edwardsville 18-12, Highland 45-27 and Cahokia 56-0.

In his nine seasons as head coach, Dant posted a 42-5-5 record to become the most successful of all Madison mentors.

The 1957 squad was his winningest team, but it was his best. "It's hard to compare teams," he said. "I'd say the '57 team had the most ability but we had a handful of kids in 1951 (Dant's first MHS team) that played on sheer guts and determination. The school hadn't won a game in about five years. But we gave them six or eight running plays and a couple of pass plays and they went out and won two games. They were just workhorses who wanted to play."

## Madison Football Fortunes Up After Hard Times in Early Years

From left are: front row—Kenneth Williams, Eugene Black, Eugene Shipps, Paul Rydick, Paul Connole, Juan Doyen, Lloyd Williams; middle row—Eugene Wood, Leonard Andrews, John Toncoff, Leonard Miller, Vasil Vasiloff, Melvin Lee, Christ Novacoff.

Thomas Studebaker, Arvel Price; back row—Adam Zengraf, Alex Gitch, Richard Ulfers, Woodrow Lybarger, Everett McCort, principal Sam Sprout, coach Paul Robt. David Connole (captain), Roger Studebaker, Fred Riddle, Louis Norberg. Many of the team members are still Dupo City residents.

## Repeat Battle Seen In Midwestern Race

Midwestern Conference coaches are picking defending champion Roxana and runner-up Cahokia to dominate the league again this season but there's about a 50-50 split on just which one will run first.

Dupo, which failed to win a game last year, and Madison, depending on a lot of underclassmen, look like the darkhorses.

A brief rundown on the five Midwestern teams who will battle the local Trojans for the title (last year's overall records in parentheses):

**CAHOKIA (6-3-0)**—Coach Pete Turan lost 15 seniors with 12 lettermen coming back. . . . Part of the Comanches' success will depend on how well the juniors, who were unbeaten as a sophomore unit, pan out. . . . Best lineman is 218-pound Bill Lazebny, tackle, with Ronnie Bell moving up from the second unit to call the signals. . . . Dan Gilmore, second team all-conference halfback, is doing a good job at fullback. . . . Offense operates off Wing-T and Pro-T.

**ROXANA (5-4-0)**—A dozen Shells' lettermen reported to Mo Tschamen but already 230-pound tackle and extra-point end Eddie Cadle is out with a knee injury. . . . And tackle Darrell Williams (180) is having back trouble. . . . Ex-defensive halfback Don Withrow is the quarterback and the top receiver might be Randy Robertson, a track sprinter being tried at wingback. . . . Most of the returnees were starters last year.

**DUPO (0-9-0)**—Don Brubaker figures there's no way to go but up and boosters think the Tigers might jump quite a bit. . . . 15 lettermen include 263-pound punt-kicker and 240-pound Gary Swanner, both tackles. . . . Another line prospect is 265-pound Joe Stewart, so the Bengals have plenty of weight. . . . It looks like an improvement from the 1963 squad, which scored only 39 points to the opponents' 274.

**HIGHLAND (4-4-1)**—Heading the 12-letterman delegation for the Bulldogs are ends John Spengel, an all-conference choice in '63, and John Duff. . . . At-though coach Frank Fitcha figures the best the team can do (without injuries) is win two games, backfield improvement may lift the team unexpectedly. . . . Strong point right now is where right halfback will return. . . . Biggest problem is finding a quarterback who can

**FOOTBALL HOPES** at Madison depend heavily on the running of junior back Paul Luk. He was the Trojans' leading scorer and ground-gainer last year.

## Football at Venice High School Had Short Life—Lasted Decade

Football at Venice high school was short-lived, lasting only from 1936 through 1945.

For the first three years, under coach Carl Boll, an attempt was made to make a full-scale program of football. But the Red Devils soon discovered they couldn't compete with the larger schools where the sport was firmly established.

The first Venice team on record was a 20-0 loss to Madison. The Devils went on to post a 1-4 mark in 1936 with the only victory a 14-12 decision over Dupo. The next season the Devils lost all five games—to Madison 41-0, Belleville Cathedral 20-0, Dupo 26-6 and Hannibal (Mo.) McCooey 20-0.

Switching to a more conservative schedule in 1938, VHS had a 4-1 record—losing 6-0 to St. Genevieve, Mo., but beating Alton Marquette 14-7, Clark junior high school 14-0 and East St. Louis 6-0. The Granite City reserves 6-0 and St. Genevieve in a second game 13-0.

But after that season, Venice football began to decline with the Devils playing mostly "B" teams and taking what is "lightweight football," where the opposing teams were matched up evenly by poundage and six-man football.

Zahn Wells, still a teacher at Venice, was hired as coach for the final season of Red Devil football in 1945.

"We had only 16 or 17 boys out for football," Wells told the Press-Record. "And, of course, that wasn't enough. As I recall, we didn't have more than 45 or 50 boys in the entire school."

"After that we joined the MRC conference for smaller schools and took up fall baseball."

Up until the past dozen or so years, even the staunchest of Madison high school fans must admit the Trojans had a rather undistinguished football history.

Prior to 1951, when ex-MHS lineman Francis Dant took over as head coach, there had been only two winning seasons in 22 years—1941 under Ray Levenski and 1935 under Karl Berninger. And even in those campaigns, the teams lost three and four games respectively.

It wasn't that the Madison boys were bad football players; it was simply that the school was playing out of its class. For all but seven of those first 22 years, the Trojans were trying to compete in one of the state's top football leagues—the Southwestern Conference.

And even in those non-conference years, the opponents were primarily Southwestern schools because there just weren't many non-Southwestern teams available. Little Madison was a game but outnumbered. David caught in between some powerful Goliaths.

**Hard Times** Witness the sad statistics: 1. In 123 Southwestern Conference games, Madison won only 13, tied just one and lost 109. The Trojans, a persistent Shiner, didn't drop out of the conference for the last time until 1947.

2. Although they played East St. Louis and Alton 17 times each, the Trojans could never win—not even once—beat those teams.

3. Of those 109 losses, 61 were shutouts. Indeed, early Madison teams found themselves hard put to score touchdowns. In the first 12 seasons against all opponents, for example, Madison suffered 37-14-3 conference mark with schools of more comparable size—like Highland and Roxana—to face rather than the giants like East St. Louis and Belleville.

The Trojans have winning records against all Midwestern teams except Roxana, losing to Highland and Bethalto only once each.

Since joining the Midwestern loop in 1952, the school has a 37-14-3 conference mark with schools of more comparable size—like Highland and Roxana—to face rather than the giants like East St. Louis and Belleville.

## Slight Increase In GC Twp. Relief

A slight increase in relief cases in Granite City township was reported for August by Nelson Hagnauer, township supervisor.

The 76 cases with 213 persons and costs of \$3650 compares to July totals of 74 cases with 225 persons and costs of \$3777. In August 1963 there were 96 cases with 282 persons and the costs amounted to \$4201.

Relief costs for the township during the current fiscal year amounted to \$43,078 for the six-month period, compared to \$33,320 for the same period in 1963.

which loans and grants are made.

**Financial Grants**  
The reasons the chapter distributes grants are as diverse as human types. One Christmas time a serviceman, separated from his wife, asked the local chapter for financial aid in order to buy gifts for his five children. The Red Cross contacted the military base and the man's wife. The couple agreed to go back together, and for a Yule present the family was furnished housing, toys for the children and clothing. They are still together.

Often whole units of soldiers are involved in the financial assistance. They are sometimes transferred to the local base, but the monthly allotment does not arrive or the amount is incorrect. In such cases the Red Cross makes a temporary loan to carry the servicemen until the mistake is corrected.

The Tri-City Chapter of the Red Cross thus performs an important role in a large area of community life. It is another part of the United Fund's program of "being there" when residents are in need.

## United Fund Service Agency

## Red Cross 'Is There' in Emergencies

The Tri-City Chapter of the Red Cross is designed to aid residents in the two situations in which they feel friendless—after a disaster and when in a strange city.

For servicemen away from home and for disaster victims, the Red Cross, supported in the Quad-Cities by the United Fund, is more than a friend: it is a refuge. The main reason for the existence of the agency is to provide home service for men

in the armed services and relief in time of calamity.

But these major services are only two of the ten provided by the organization in this area. It also offers classes, in first-aid and water safety, sponsors the Junior Red Cross and a blood bank at the Granite City Engineer Depot, a Travelers' Aide station and sends volunteers to the Depot as Canteen, Motor, Staff and Volunteer Aides.

A short time after disaster struck the Nestle Co. plant three summers ago, Mrs. Ruby Overbeck and other Red Cross

workers were at the scene with coolers of ice water for workers digging at the pile of rubble in search of victims.

Later in the afternoon, a Red Cross canteen arrived for a ten-hour stay with hundreds of sandwiches, coffee, rolls and lemonade. Mrs. Overbeck, the chapter executive secretary, contacted St. Elizabeth Hospital within an hour of the explosion to offer supplies of blood.

The national offices of the company telephoned the local Red Cross chapter to learn of injuries and details of the accident.

Like many other local companies and institutions that day, Red Cross was there. What distinguishes the agency is that it makes a habit of "being there."

The local Red Cross, located at 2035 State street, each day performs services which mean as much to families as the coffee and sandwiches did to workers the night of Aug. 9, 1961. To servicemen and their families, the agency is the first place to go in any emergency.

## Aid to Servicemen

Most Quad-Cityans are not aware of the home service through which the Red Cross helps the families of veterans and men and women in the armed forces to meet personal and domestic problems. But

they need only ask a serviceman at the Granite City Army Depot to discover its significance in their lives.

All emergency leaves, extensions and compassionate transfers go through the Red Cross office. A compassionate transfer is the sending of a member of the armed services to a military base closer to home in cases of emergency when the serviceman's presence is needed for his family.

The role the agency plays in this case is verification of information sent to it by the military authorities. If a man from Los Angeles was stationed at the Depot and received word that a death had occurred in his immediate family, he would apply for an emergency leave. Mrs. Overbeck would then wire the chapter in Los Angeles for confirmation of the death. In a matter of hours return word would be received here and forwarded to the Depot.

Red Cross neither approves nor dispenses leaves; it simply performs the necessary functions in verifying the need for them. All decisions are made by the military. The local chapter also aids servicemen and their families financially. It has a revolving home service fund from

more than ever

What is Nite-Lite? It's the remarkable Illinois Power Company service that provides outdoor lighting where you want it and when you need it—automatically.

A Nite-Lite switches itself on automatically at dusk, stays on all night, and turns itself off at dawn. You can be thousands of miles away and still be sure that Nite-Lite protection is on the job.

Nite-Lite means convenience, too... gives you plenty of light for after-dark chores or recreation. And when you're out late, it's mighty good to have an automatic Nite-Lite to come home to.

A flat monthly fee covers installation of the light, all the electricity it uses and maintenance.

If you'd like more information about why Nite-Lite is one of the most helpful modern services your electric company provides, just ask any Illinois Power Company employee.

## Voter Registration Periods Open in Quad-Cities Friday

A series of special registration periods to facilitate the registration of voters throughout Madison county will get under way in the Quad-City area Friday and will continue throughout the month. The special locations with certain periods set for registration have been arranged by the office of Miss Edna Holz, Madison county clerk.

The schedule for Friday and Saturday includes:

Sept. 11—First National Bank in Madison, 3 p.m. to 5 p.m.; Eagle Park Acres, Venice, noon to 8 p.m.

Sept. 12—West Side Fire Station, 2600 Cayuga street, noon to 8 p.m.; Lee Wright Homes, Venice, 9 a.m. to 5 p.m.

In addition, Miss Holz's office announced a list of permanent deputy registrars who are available at specified times for registration purposes. In the Quad-City area these registrars are: Mrs. Elvira Thurber, 1832 State street, 9 a.m. to 5 p.m. daily, 8 a.m. to noon on Saturday, and evenings by appointment; Mrs. Jewell Young, 909 Franklin avenue, Madison, 9 a.m. to 5 p.m. daily.

E. J. Miller, city hall, Madison, 9 a.m. to 4:30 p.m. daily; Dennis Nicholas, 1548 Fourth street, Madison, 9 a.m. to 5 p.m. Mrs. Olive Sigle, 2229 Bryan avenue, evenings by appointment; Mrs. Lois Weeks, 129 East Chain of Rocks road, 6 a.m. to 5 p.m. daily, evenings by appointment.

Miss Holz said persons living in the vicinity of the deputy registrars or the special registration locations may register at any of them, whichever is most convenient. Persons who will reach the age of 21 by the Nov. 2 general election must register by the Oct. 6 deadline. The deadline also applies to all others, who must register or enter

changes in their registration status such as change of address or name. Those qualified to vote are persons 21 years of age, a U.S. citizen living one year in the state, 90 days in the county and 30 days in the precinct.

## GC Bills, Payroll Total \$87,900

Bills totaling \$50,147 and a \$37,753 half-month payroll were approved Tuesday night by Granite City council members, who excluded a \$464 payment for engineering and cut a sidewalk-curb repair bill payment to \$788 from \$3699.

A legal opinion still is being sought on an extension of the motor fuel tax engineering contract for David J. Johnston & Associates, former city MFT engineer, and payment of \$464 to the firm for inspection on the Woodlawn avenue project, was held up at the request of Alderman Charles W. Moerlein. Mayor Davis indicated the payment would be made despite council objection, since the bill had been approved by the state highway department which also had accepted the MFT contract extension for the Woodlawn project.

A \$3999 bill submitted by Thomas Skerle for sidewalk and curb replacement was cut to \$708, pending an inspection of the completed work by Street Supt. William Warfield. Expense allowances on the bill list included \$50 for automobile costs paid to Delbert Lamper, city hall handyman; \$60 for two months expenses of Alderwoman Gabrielle Betinec, who also was given \$3 reimbursements for flower plants purchased for the city hall grounds; \$30 for Alderman William Dallas, \$20 for Alderman Charles Moerlein and \$30 for Alderman Edmund Bartosik.

Fuel, maintenance and parts for city equipment totaled \$1229 for the two-week period covered by the bill list, and for equipment rental, the city paid \$809 to A. H. Seebold Co. for an air compressor, jack, hammer and miscellaneous tools and for 54 cubic yards of cement. John Fabrick Tractor Co. was paid \$1005 for rental of a road grader during June and July.

Gabriel-Dulgeroff Architects were paid \$1043 as the balance due of a \$2243 fee for design of the new fire station for West Granite, while General Contracting Co. was paid \$8772 for work on the West 24th street motor fuel tax project and A. H. Seebold Co. was paid \$24,300 for work on the Woodlawn avenue MFT improvement.

August rental for 337 fire hydrants, paid to East St. Louis & Interurban Water Co., amounted to \$1476, and street lighting cost the city \$1754, paid to Illinois Power Co.

## Careless Thief Loses Load of Wood Paneling

Five large sheets of wood paneling, stolen from the home of Lonnie Sullivan, 208 Slough road, Venice, found their way back to the owner Tuesday because the thief failed to tie his stolen goods securely to his automobile.

Sullivan reported to Venice police Tuesday that the building material had been stolen from a truck parked in his backyard while he was away from home. Later, police received a report that a man identified only as Mr. Turner had seen sheets of wood paneling fall from a car as it passed Broadway and the railroad tracks, and had taken them home. The wood was identified as that owned by Sullivan and was returned to him.

Sullivan also reported that an unsuccessful effort to break into his house had been made.

Members in the local public school systems this fall, Rev. David B. Maxton is president of the association, and Rev. Arvin Twissmeyer and Rev. George Laskey are serving on the arrangements committee.

### Stolen Car Recovered, Driver is Arrested

An automobile stolen in West Madison almost two months ago has been recovered in Champaign, Ill., and the driver of the car arrested, Madison police reported Wednesday. A warrant charging theft of a motor vehicle has been issued and the driver will be returned to Madison for hearing, police said.

Champaign police said the driver's name was Olin Hogue, but furnished no other details. The car, a 1950 convertible owned by Charles Crawford, 639 Mercedia street, Venice, was stolen from West Second street and Jackson avenue in West Madison at 1:30 a.m. on July 19, according to police records.

### Hoelschers in Florida —Home on Idle Drive

Mr. and Mrs. G. W. Hoelscher have a perfect address for retirement. They purchased a new home at 1631 Idle drive, Liesure Acres, Clearwater, Fla.

The house has terrazzo floors throughout, and is on Tampa Bay with three golf courses nearby. It has two bedrooms, two baths and a two-car garage, a tile roof, a screened patio and is surrounded with palms and other shrubbery.

Mr. Hoelscher, until his recent retirement, was executive secretary of the Manufacturers Association at the Tri-Cities.

PRESIDENTIAL GALLERY of the Trust & Savings Bank is shown being viewed by (left to right) Board Chairman Henry D. Karandjeff, who presided at a dinner honoring new teachers; Ronald E. Sets of smaller portraits of all U.S. Presidents are being presented to schools and libraries of the Quad-Cities.

### Granite City Radio Company Reorganized

Reorganization of the Norman Broadcasting Co., owners of Wgtn radio station in Granite City, was reported this week following issuance of a new corporation charter by the state.

Charles H. Norman, principal stockholder in the previous company, said the new charter was obtained to permit himself and George Moran, a partner in the company, to take over and redistribute the stock of a third partner in the original company, John Karoly, who is leaving the business.

Norman said there was no change in capitalization or stock values. He said he originally held 60% of the corporation stock with Moran holding 20% and Karoly the other 20%. Under the reorganization he and Moran will take over Karoly's stock holdings.

The new company is listed as a foreign corporation with a charter issued under laws of the state of Delaware, according to the office of William H. Chamberlain, Illinois secretary of state.

### State Capitol NEWS

#### 265 DROWNINGS IN STATE DURING 1963 SEASON

A total of 265 persons drowned in Illinois during 1963, Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has reported.

Drowning is the fourth leading type of fatal accident and each year in the nation about 6400 persons are drowned. Of these victims, about two-thirds are not swimming at the time of the accident; they fall into the water. About two-thirds are children and young adults and most are males. Drowning is second only to pedestrian-motor accidental deaths in the 3-to-24 year age group.

During the last 15 years in Illinois, one out of five drownings involved a pleasure boat and the sites of drownings have remained unchanged. Each year the same kind of a location claims its usual quota of lives of the unwary, the careless, the unprepared, Dr. Yoder said.

"About 300 lives have been lost in Illinois waters each year for the last 15 years," Dr. Yoder concluded. "Not until everyone becomes conscious of water safety will this needless loss of life be reduced."

#### SHEEP FREE OF SCABIES

Illinois sheep were declared free of scabies for the first time after an intensive eradication campaign by the Illinois Department of Agriculture and the U.S. Department of Agriculture, according to a report last week.

The scabies-free status makes it no longer compulsory to dip breeder and feeder sheep that are moved from Illinois to another state unless that state requires this precaution.

"Illinois in its new classification is surrounded by six states not yet declared free of scabies," said Dr. Paul Doby, superintendent of the Division of Livestock Industry. "For this reason, sheep raisers in the state must be constantly alert to the danger of recurring infestation from animals brought to Illinois." He added that the Division of Livestock Industry will continue to require dipping of sheep for at least one year when sales are made between individuals or with sale barns.

#### DUCK SEASON OPENS OCT. 31

A 40-day duck season, opening at sunrise Oct. 31 and closing at sunrise Dec. 9, has been announced by William T. Lodge, director of the Illinois Conservation Department.

The daily bag limit of four ducks may not include more than two wood ducks, two mallards, two canvasbacks or two redheads or one of each. The possession limit of eight ducks may not include more than two wood ducks, four mallards, two canvasbacks or two redheads or one of each. The daily bag limit on coots is 10 and possession limit is 20. The limits on American, red-breasted and hooded mergansers in the aggregate of these species are five daily and 10 in possession, of which not more than one daily and two in possession may be hooded mergansers.

A 70-day split season was selected by the department for the taking of geese. The season for the taking of geese in all counties except Union, Jackson, Williamson and Alexander Counties will be from sunrise Nov. 4 through sunrise Dec. 9.

In the counties of Union, Jackson, Williamson and Alexander the season will begin at sunrise Nov. 16, be closed Dec. 24, 25, 26 and reopen Dec. 27, extending through 3 p.m., Jan. 15, 1968. However, the season may be closed prior to Jan. 15 if the established harvest quota of 25,000 Canada geese is reached.

The daily bag and possession limit is five but may not include in the alternative, more of the following species than two Canada geese or subspecies, two white fronted, or one Canada goose or subspecies and one white fronted goose.

#### TIMOTHY SEED CROP DOWN

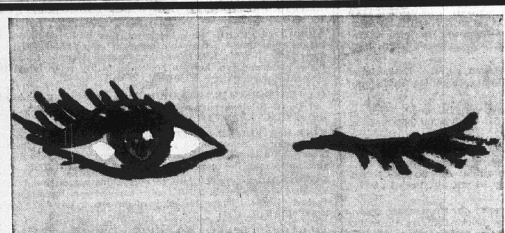

This year's timothy seed crop in Illinois is estimated at 1,045,000 pounds—9% lower than last year's production and over 20% lower than the 1958-62 average, according to a report from the Illinois Cooperative Reporting Service.

## V. L. Ernst Appointed Auditor at GC Bank

Vernon L. Ernst has been appointed auditor of the First Granite City National Bank. It was announced this week by Harold R. Fischer, president. Ernst, formerly assistant auditor, has been with the bank for 8 1/2 years and has received a graduate certificate from the American Institute of Banking, St. Louis. He recently completed the second semester of the Nabas school at the University of Wisconsin for banking auditors and controllers.

Ernst and his wife, Irma, and children, Bruce, Sharon Ann and Janet, live in Sunny Dell Acres west of Mitchell.

## Seebolds Incorporate New Real Estate Firm

An Illinois corporation charter has been issued by Secretary of State William H. Chamberlain to a new Granite City firm, L.D.S., Inc., with authority to buy and sell real estate and real estate, both improved and unimproved. The charter is issued in the names of Otto Seebold and K. E. Seebold, and lists the address of the new firm as 2406 West 23rd street. The address is that of the Paul Seebold Concrete Co. of which Paul Seebold is president. The charter authorizes issuance of 100 shares of common stock of no par value.

## Man Hit With Tin Can

Robert Hubert, 1329 Carr street, was admitted to St. Elizabeth Hospital for observation at 11:10 p.m. Tuesday after he was hit in the head, apparently with a tin can. Police were called to his home at 10:15 p.m. and located the victim later at the hospital emergency room.

## GC Council Changes Meeting Date for IML

The Granite City council session for the last week in September was changed to Tuesday night, Sept. 29, to permit aldermen and other city officials to remain in Chicago on Monday, Sept. 28, for the final session of the Illinois Municipal League convention which opens Sept. 26. The action was taken Tuesday night.

Madison council members last

Granite City PRESS-RECORD  
Page 40 Thurs., Sept. 10, 1964

week changed their meeting night in the same week from Tuesday, Sept. 29, to Wednesday, Sept. 30, to permit city officials to attend Tuesday morning and afternoon sessions of the convention.

All three city councils have approved expense allowances of \$150 for each official attending the convention.

## Rotarians View Movie On Hunting Dogs

A sound movie explaining how hunting dogs are trained for various kinds of birds was shown at Tuesday's luncheon meeting of the Granite City Rotary Club, held at the YMCA. Most good of

hunting dogs are the result of lengthy breeding, as well as training, to improve on natural hunting instincts and stamina, experts assert.

Richard West served as program chairman in the absence of Dean Mayberry, who was out of town.

**Excavation Permit**  
Jumble Power Co. was granted permission by Granite City council members Tuesday night to begin today a 653-foot excavation in the 2800 block of Lincoln avenue to install a gas line to serve five houses.
